EXPERIENCE

▪ **IT Specialist** - San Jose Clinic, Houston (June, 2016 - Present)

Currently working in conjunction with the IT Manager to support, maintain, and develop the technology hardware and software infrastructure of the clinic.

- Configured a spanning tree protocol to prevent bridge loops on the network.
- Found a handy way to deploy third-party applications using Wsus Package Publisher, which permitted a faster and easier installation and update of softwares on network computers.
- Awarded Good Samaritan (Employee of the Month) in November, 2016.

Technologies: VMware vSphere 5.5, Windows Server 2003 / 2008 / 2012 / 2016, Ubuntu Server, JavaScript, Joomla, Sharepoint, PuTTY, Mirth Connect, WSUS, Microsoft Exchange, Carbonite Online Backup, Symantec Endpoint Protection Server, Fortinet Firewall Interface, Microsoft Office, Avaya IP Office, etc.

▪ **Network Administrator** - Historian's Office of Havana, Cuba (January, 2010 - August, 2015)

Performed a wide range of network administration duties including installations, debugging, maintenance, upgrades, and general support to the network infrastructure.

- Played a crucial role on the network infrastructure upgrade undertaken in the building by helping to map devices on the network and their physical connectivity.
- Installed open-source and Linux-based software like Squid, Pegasus Mail, Jabber, etc., which saved increasing software license costs to the organization.

Technologies: VMware vSphere 5, Windows Server 2003 / 2008 / 2012, Debian, Squid Proxy, Jabber, PuTTY, MDAemon Email Server, Pegasus Mail, IIS, Kaspersky Endpoint Security, Microsoft Office, FileZilla.

▪ **Intranet Webmaster** - Military Academy, Cuba (August, 2006 - September, 2009)

Developed, managed and performed the regular maintenance of the Academy website.

- Improved the Academy intranet website format and design.
- Added dynamic behavior to the webpages and user interactivity.
- Implemented streaming services through the website which enable the live broadcast of meetings and events.

Technologies: HTML, CSS, PHP, Dreamweaver, Photoshop, FrontPage, Sharepoint, Flash, Premiere, Audition, CorelDRAW, Windows Movie Maker, Windows Media Server, Nero MediaHome, Xara Photo & Graphic Designer.

EDUCATION

▪ **B.S. in Computer Science** - University of Havana, Cuba 2006 - 2012

▪ **A.A.S. in Computer Science** - Polytechnic Osvaldo Herrera, Cuba 2002 - 2006
